

Finally a way for you to have an e-commerce website with all the features, security and manageability you need to make your **e-business an e-success.**

This is what you've been waiting for

A package without the kinks, without the worries, a simple process that won't get in the way of your business creativity and allows you to control the process.

- ◆ Easy set-up steps, even if you're new to the internet
- ◆ Thumbnail pages and full detail displays of each item
- ◆ Real-time credit card authorization and automatic deposit to your account
- ◆ Special features to boost sales
- ◆ Web hosting for your website

Easy Set-up

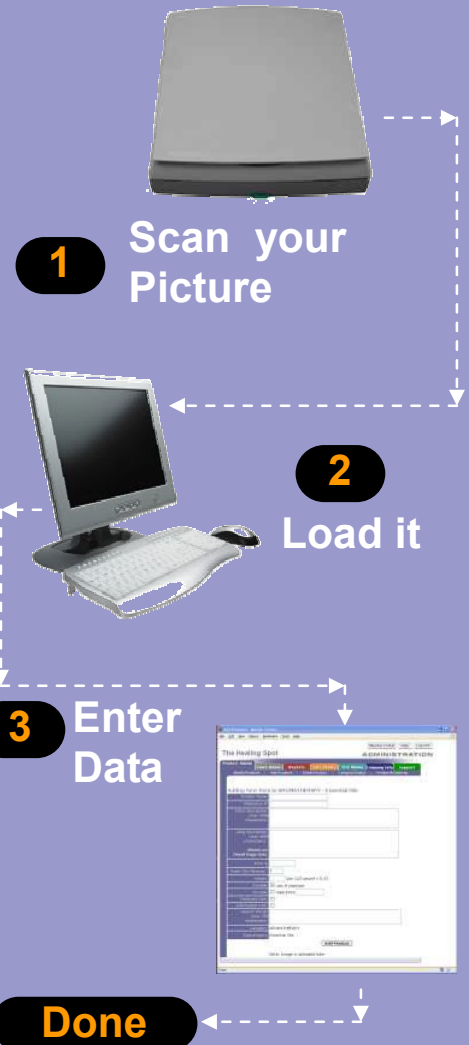

You don't need to be a programmer or have any web development experience to create your own web store. The WebStore Group's step-by-step process is user-friendly, and if you get stuck our tech support is standing by to answer questions and guide you through the process.

Fast

The WebStore Group offers the fastest and most manageable system available today to create online businesses. You can be open for business in a matter of days — not months — at a surprisingly low cost.

Affordable

- No set-up fee
- Free web site hosting
- No hidden charges
- First 14 days free
- No per-transaction fee

You've been thinking about it. Now you can do it!

The WebStore is the all-in-one, completely customizable e-commerce solution for online business. It's easy to set up and easy to upgrade as your business grows !!
